</form>
</body>

</html>
```

OUTPUT:

The screenshot shows a web browser window with the address bar displaying "File | D:/PRIYA/IBM%20REGISTER/index.html?". The page features a vibrant gradient background transitioning from pink on the left to yellow on the right. Centered on the page is a light orange rounded rectangle containing a registration form. The form is titled "REGISTER" in bold red text. It includes input fields for "User Name :", "Email :", "Mobile No :", "City :", "State :", and "Country :", each with a placeholder text "Enter your [field name]". Below these fields is a "Register" button. At the bottom of the form, there is a link "Forgot Password?".
